Connecting families through mentoring and literacy. We currently operate 4 family literacy centers providing education focusing on five topics: family, literacy, academic, vocational, and leadership.

During 2019, we purchased buildings on a property in Zambia that is being turned into a Family Restoration Center - a place of safety where people can receive help and healing as they begin their journey to self-reliance.

The 5 education tracks currently supported /administered through the Family Literacy Centers will be implemented and magnified through on-site residential facilities for women and children healing from trauma, to assist them in furthering their education, including vocational training, and to assist them to regain self-respect, confidence, and healthy wholeness.
